

Aid To Our Wounded

NROTC *Honoring Their Sacrifice... Now!* National Remember Our Troops Campaign

Service Banner

Dear Fellow American,

Please consider helping NROTC honor those who are serving our country!

As the War on Terrorism rages on, it is only because of our nation's bravest and finest men and women who stand ready to risk life and limb to protect our country and our way of life, that we remain out of harm's way.

Because No American Veteran should EVER feel neglected or unappreciated, NROTC is providing recreational therapy to our wounded warriors returning from Iraq and Afghanistan. Many of these wounded are amputees, burn and gunshot victims, those who have lost sight or hearing, and those who have suffered serious brain trauma due to roadside bombs.

A major part of our ongoing mission is to pick up the in home shut-ins and VA hospital patients and take them to theaters, restaurants, sporting events or other local activities that they enjoy. A little fresh air can go a long way AND... as we get them out to mix with the public, other Americans get a chance to honor them and thank them for their service and sacrifice, and let them know they are appreciated. We believe this "show of support" helps them during their recuperative time of need AND... on an ongoing basis after these wounded have returned home.

NROTC also works to recognize all U.S. military service members, AND their families, for the sacrifices by honoring them with congressionally approved Blue Star or Gold Star Service Banners. You can learn more about the Service Banner and NROTC's other charitable activity on our website at: WWW.NROTC.ORG

It is only because of the generous contributions of caring Americans like you that NROTC is able to carry out our mission.

On behalf of these courageous heroes and their loved-ones... **THANK YOU!!!**

NROTC raises it's own funds. Your donation of any amount will directly help NROTC in honoring the sacrifices of those who are giving for their country... NOW!...
